

**My name is
John Wilcox.
I'm 13.**

I have been selected to represent Wellington High School in Theatresports in Thailand this October. To raise money for the trip, I am looking for sponsors for my **Clean up the Beaches! project.**

Sponsor me 10 dollars to fill a big black rubbish bag. I'm going to upload photos of my efforts up to a website: www.alto.net.nz/beachclean This way - you can watch my progress. I aim to remove 20 bags of rubbish from the beaches in the region over the next 6 weeks. With your support, we clean up the environment together! (And I get to go to Thailand!)
